

Airfreddy's **Guide on Learning To Fly**

**Step-by-Step Guide On the Private
Pilot License From Start To Finish**

Foreign Students and the Transportation Security Agency

If you are a foreign student you will need to get approved with the transportation security administration before you start.

If you are a US citizen you will need proof of citizenship. A Birth Certificate or other US Government Issued Identification are required. These rules are always changing so you will want to look at the most current version of the TSA. Please note you need to scrole down the page past the yellow section.
